## Camaleonda Sectional Sofa, B&B Italia

### c1970's Sectional Sofa Reissue | Camaleonda Sofa By B&B Italia

The fundamental characteristic of Camaleonda is its unlimited modularity, a geometric pattern that allows each element to become a sort of enormous pixel through which to define your home environment. By hooking and unhooking seats, backrests and armrests, you can enjoy the luxury of changing your mind as many times as you desire, moving and redesigning the space. A concept which is dear to Mario Bellini: "Of all the objects I have designed, Camaleonda is perhaps the best in terms of its sense of freedom. There are infinite number of possible configurations."

This version of Camaleonda is comprised of 5 modular pieces that can create multiple configurable options. Covers are in two different fabrics: walnut colored leather and light brown cotton mohair blend velvet feet are in natural beech wood.
