Camel Colored Leather Swivel Manual Recliner, Poltrona Frau

The Pillow Recliner By Poltrona Frau

The Pillow armchair designed by Poltrona Frau R. & D. is the most complete aesthetic and functional expression of the reclinable seat. It is completely covered in soft neutral leather upholstery and the headrest, backrest and footrest are adjustable for maximum ergonomic comfort. The circular steel base, in matte black lacquer, enables the armchair swivel 360°.

This manual version enables synchronized movements thanks to a lever inserted between the left armrest and the seat. The angle of the headrest can be adjusted manually and independently of the backrest. The upholstery of this Pillow armchair is in Pelle Frau® SC leather.
