Ashwood Stained Amaranth Low Table, Cassina

Reaction Poetique Low Table By Cassina

This sculptural low table from Cassina employs form, light, and shade to express the ineffable beauty of wood, thanks also to the masterful crafts skills of Cassina's carpenters. Inspired by the organic shapes conjured by Le Corbusier, and the paintings featured in the magazine L'Esprit Nouveau, reflect Cassina's tradition of woodworking excellence and the close links that the company has always fostered between craftsmanship and industrial innovation.

Jamie Hayon crafts this collection of minimalist, functional decor objects for the modern home, envisioned as a scrupulous dedication to the use of a single material.

The piece bears the Cassina logo, and is sold with a certificate of authenticity.
