White Oak Natural Leather Tokyo Chair, Bensen

Tokyo Chair by Bensen

This solid white oak wood framed chair with a removable natural colored saddle leather seat nods to traditional Danish and Japanese designs while maintaining an active footing in the present. A continuous ribbon of shaped solid wood creates the distinctive back and connects to the legs with traditional mortise and tenon construction. The finish is an advanced low build water-based polyurethane that gives the wood a natural open-grain appearance which is both smooth to touch yet very durable. The saddle leather seat is expertly cut, sewn and applied to a multi-layered seat structure to ensure a perfect fit for many years to come.

Bensen is a design and manufacturing group founded in 1981 by Niels Bendtsen. Along with his staff, Bensen designs and oversees production of an extensive line of furnishings. Made in Italy

Measures: 23.5" w x 19.75" d x 28" h, 18"sh
